Tour to Melka Kunture, Adadi Mariam and Tiya

Duration: 1 day

Way of transportation: Surface

Program:

Morning drive South-West of Addis Ababa, all the way through the semi-desert and grassland for more than 90kms. The first stop will be at 50km from Addis to Melka Kunture - paleontological site - a fenced enclosure kept for excavation and collection of prehistory physical remains. The main excavation in the site include fossilized animal bones, Stone Age pebble tools of ancient men (estimated to be 2 million years old) which are exhibited in the mini museums in the field.

Continue driving 23km from Awash Melka Kunture including 13km right detour to the well-known for its unique earth and rock hewn in underground cave that resembles the Lalibela churches. It lies in the ground with steps descending to the main entrances. The church has 10 gates and 14 small windows to let the sun light in.

Next, drive about 43km to the stelae field of Tiya. listed as a UNESCO World Heritage Site, the steale field today comprises some 45 stones of up to 2m in height. They mark the mass graves of males and females who died when they were between 18 and 30 years of age and who were laid to rest in a foetal position about 800 years ago.

Lunch on the way back to Addis Ababa.

End of service.
